UniSA student apartments

AN AFFORDABLE CITY

- Adelaide has one of the highest standards of living of any city in the world, yet is one of the least expensive.
- This means more money to spend on food, supplies, travel and entertainment.

**16% LESS TO LIVE IN
ADELAIDE**

compared to Sydney

**13% LESS TO LIVE IN
ADELAIDE**

compared to Melbourne

PROGRAMS

Division of IT, Engineering and the Environment

ENGINEERING

Bachelor

- Engineering (Hons) with a specialisation:
 - Civil
 - Civil and Structural
 - Civil and Project Management
 - Electrical and Electronic
 - Electrical and Mechatronic
 - Mechanical
 - Mechanical and Advanced Manufacturing
 - Mechanical and Mechatronic

Master

- Engineering with a specialisation:
 - Engineering Management
 - Electrical Power
 - Telecommunications
 - Civil and Infrastructure
 - Water Resources Management

IT

Bachelor

- Information Technology with optional specialisation:
 - Networking and Cybersecurity
 - Software Development
 - Games & Entertainment Design
 - Mobile Application Development
- Software Engineering (Hons)

Master

- IT (Enterprise Management)
- Cybersecurity
- Data Science

ENVIRONMENT

Bachelor

- Construction Management (Hons)
- Environmental Science

Master

- Project Management
- Environmental Science

SCIENCE & MATHS

Bachelor

- Mathematics (Data Science)
- Mathematics (Industrial & Applied)
- Science

AVIATION

Bachelor

- Aviation (Flight)
- Aviation (Management)

ENGINEERING

BACHELOR OF

Engineering (Hons) with a specialisation:

- Civil
- Civil and Structural
- Civil and Construction Management
- Electrical and Electronic
- Electrical and Mechatronic
- Mechanical
- Mechanical and Advanced Manufacturing
- Mechanical and Mechatronic

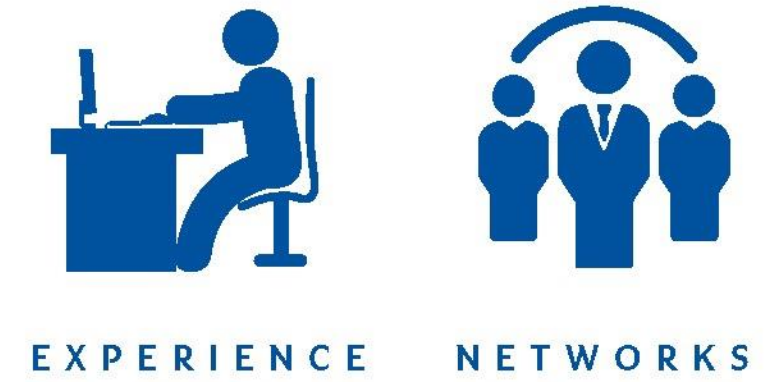

MASTER OF

Engineering with a specialisation:

- Engineering Management
- Civil and Infrastructure
- Water Resources Management
- Electrical Power
- Telecommunications

‘Capstone professional project’

C O U R S E

*Real industry projects for our
IT masters programs*

Compulsory for M.IT, M.CyberSecurity, M.DataScience students

Counts for 2 subjects

Duration of 1 semester

Organised by UniSA

Unpaid

Outcome is usually a report and presentation

Australia Day

Australia Day Council
of South Australia

CITY OF
Port Adelaide Enfield

UniSA Fast Track Master

First 3 years in NTUT

- Meet IELTS Requirement – 6.0 Overall (Reading and Writing 6.0)
- Meet CGPA Requirement – 3.0/4.0

1st Year in UniSA – Study Abroad Program

- Pass all study abroad courses (8 first year Master program)

2nd Year in UniSA – Master Program

- Pass all graduating requirement

Program

National Taipei University of Technology	University of South Australia
Bachelor of Engineering	Master of Engineering (Engineering Management)

Master of Data Science

Year 1

Semester
1

Big Data Basics
Statistical Programming for Data Science
Statistics for Data Science
Probabilities and Data

Semester
2

Predictive Analytics
Unsupervised Methods in Analytics
Research Methods
Data Visualisation

Year 2

Social Media Data Analytics
Customer Analytics in Large Organizations
Data Science Professional Development

Advanced Analytic Techniques 1
Advanced Analytic Techniques 2
Capstone Professional Project

Advantage of Fast Track Master

What should you do now?

- Work hard on your result in NTUT. Meet CGPA Requirement – 3.0/4.0
- English Preparation
- Talk to your parents – Financial Planning

TIME

Complete your NTUT Bachelor + UniSA Master in 5 years

MONEY

Study Abroad Program is cheaper (Indicative fee for a year: AUD20,000)

GLOBAL CITIZENS

Experience the best of learning environment

STUDY ABROAD

Spend one or two
semesters at UniSA

/// ENTRY REQUIREMENTS & FEES

ENGLISH

- IELTS 6.0
- TOEFL IBT 80

2020 FEES

- 4 courses

AU\$9,900
